It's really good to see you using your BHHP Bucks that you won at last year's banquet. So far you've used it on firewood, breakfasts, lots of ice cream and seasonals. I'm glad you're enjoying your prizes. Wonder what will be in store this year!

Thank you John & Denise B7 for spending part of your vacation cutting up the huge tree that fell in the storm. Your effort in that heat is greatly appreciated. It looks so much better. We'll try to get to it before the snow flies. Thanks again.

I can't wait for your PartyLite Party!

John Phelan and Sandy Fleming cooked eggs to order last week and it was the best. When they talk about taking it to the plate, that's just what John did. He delivered eggs right to the table. Lynn and Mike were on the griddle and Brenda, Kathy and Brenda took care of all the finishing touches. We will definitely do that in the near future. John & Jennifer A7, have another great meal in the works. I'm so looking forward to that one also.
